## OVERVIEW

The UCSF Spine Symposium is an annual two day event emphasizing pioneering trends in diagnostic and therapeutic strategies for patients suffering from spinal disorders. This course is designed to be interactive with talks given by leaders in the spine community. All lectures are followed by case discussions aimed at highlighting key issues in breakthrough treatments. The course is designed for specialists and primary care providers.

## ACCOMMODATIONS

A limited number of rooms are being held for this meeting at \$249 per night single/double occupancy.
